# Global CONTROL

4) At what do the Jesuits aim?

**Luigi Desanctis, *Popery, Puseyism and Jesuitism* (London: D. Catt, 1905; translated by Maria Betts from the original Italian edition published as *Roma Papal* in 1865): 139:**

*At what then do the Jesuits aim? According to them, they only seek the greater glory of God; but if you examine the facts you will find that they aim at universal domination alone. They have rendered themselves indispensable to the Pope, who, without them, could not exist, because Catholicism is identified with them. They have rendered themselves indispensable to governors and hold revolutions in their hands; and in this way, either under one name or another, it is they who rule the world....*

12) Who is Robert Muller? (00:16:03)

---

13) What was his role at the United Nations? (00:16:15)

---

14) What did Robert Muller say about the implementation of a New World Order? (00:16:20)

---

---

**Robert Muller, as quoted in Dwight Kinman, *The World's Last Dictator* (Woodburn, OR: Solid Rock Books):**

*We must move as quickly as possible to a one-world government, a one-world religion, under a one-world leader.*

15) Explain Robert Muller's statement about Pierre Teilhard de Chardin: (00:17:15)

16) What was Teilhard de Chardin's philosophy? (00:17:50)

---

**"Teilhard de Chardin: Christianity and Evolution," *SCP Journal* (19: 2/3):56:**

*It is a law of the universe that in all things there is prior existence. Before every form there is a prior, but lesser evolved form. Each one of us is evolving towards the godhead...*

*What I am proposing to do is to narrow that gap between pantheism and Christianity by bringing out what one might call the Christian soul of Pantheism or the pantheistic aspect of Christianity...*

*I can be saved only by becoming one with the universe... I believe that the Messiah whom we await, whom we all without any doubt await, is the universal Christ; that is to say, the Christ of evolution.*

**Pierre Teilhard de Chardin, *Christianity and Evolution* (Collins, 1971): 130:**

*A general convergence of religions upon a universal Christ who satisfies them all: that seems to me the only possible conversion of the world, and the only form in which a religion of the future can be conceived.*

Pierre Teilhard de  
Chardin

---

---

---

**Alice A. Bailey, *Discipleship in the New Age* Volume 2 (Lucis Trust, 1955): 35, 220:**

*Evidence of the growth of the human intellect along the needed receptive lines [for the preparation of the New Age] can be seen in the “planning” of various nations and in the efforts of the United Nations to formulate a world plan... From the very start of this unfoldment, three occult factors have governed the development of all these plans...*

*Within the United Nations is the germ and seed of a great international and meditating, reflective group—a group of thinking and informed men and women in whose hands lies the destiny of humanity. This is largely under the control of many fourth ray disciples, if you could but realise it, and their point of meditative focus is the intuitional or buddhic plane—the plane upon which all hierarchical activity is today to be found.*

---

---

*The world will not change and find peace if there is not a new education.*

27) Fill in the blanks. John A Stormer, *None Dare Call it Treason* (00:53:45) 

*Under Huxley's guidance, the United Nations prepared a guidebook for teachers. This guidebook reminds them that the \_\_\_\_\_ of a child's love of country and patriotism is the \_\_\_\_\_ toward educating that child for \_\_\_\_\_.*

28) What does this guidebook say about parenting? (00:53:55)  

---

**Guidebook, as quoted in John A Stormer, *None Dare Call it Treason* (Flourissant: Missouri: Liberty Bell Press, 1964): 112:**

*In the Classroom with Children Under Thirteen Years of Age... Before the child enters school his mind has already been profoundly marked and often injuriously, by earlier influences... first gained, however dimly, in the home...*

*The kindergarten or infant school has a significant part to play in the child's education. Not only can it correct many of the errors of home training but it can also prepare the child for membership, at about age seven, in a group of his own age and habits—the first of many such social identifications that he must achieve on his way to membership in the world society... In our view, history and geography should be taught at this age as universal history and geography... The study of history... raises problems of value which are better postponed until the pupil is freed from the nationalist prejudices which at present surround the teaching of history...*

*As we have pointed out, it is frequently the family that infects the child with extreme nationalism. The school should therefore use the means described earlier to combat family attitudes.*

# Global Economy

29) What does World Goodwill have to say about the UN's work towards a new economic order?

---

---

**“The United Nations: Entering the Global Age,” *World Goodwill Commentary 15 (October 1981): 5:***

*The UN, through its international conferences and special sessions, has called the world's attention to...the need for a new international economic order...the work of the UN goes forward, steadily building the foundation for a new world order.*

30) Does the New Age movement agree that a new economic order is important? (01:02:00)

---

**Benjamin Creme, *The Reappearance of the Christ and the Masters of Wisdom* (North Hollywood, California: Tara Center, 1980): 34:**

*A complete change in the world's financial and economic order is imperative...The food exists. It is simply not distributed. The Hierarchy have plans already made, ready to be put into effect when the will is there, which will equally distribute the food. There is a group of high Initiates—industrialists, economists, administrators, of great experience and achievement—who, with Hierarchy, have worked out plans and blueprints which will solve the redistribution problems of the world, when the political will is there to implement them. These plans are there, ready to transform the world. This can be done in no time at all.*

31) What is the crux of the matter concerning the UN in our world? (01:05:20)

---

---

**Robert Muller, *My Testament to the UN*, as quoted in Gary H. Kah, *The New World Religion* (1998): 205:**

*Was it not inevitable that the UN would sooner or later also acquire a spiritual dimension?*

**Robert Muller, *Most of All They Taught Me Happiness* (Garden City, NY: Image Books, 1985): 164:**

*No human force will ever be able to destroy the United Nations, for the United Nations is not a mere building or a mere idea; it is not a manmade creation. The United Nations is the vision-light of the Absolute Supreme, which is slowly, steadily, and unerringly illuminating the ignorance, the night of our human life. The divine success and supreme progress of the United Nations is bound to become a reality. At his choice hour, the Absolute Supreme will ring his own victory bell here on Earth through the loving and serving heart of the United Nations.*

## My DECISION For Jesus

Do you see that this world is heading towards a one-world government that is distancing itself from the God of the Bible?

God is setting up a Kingdom much greater and purer than the United Nations. Will you become a citizen of God's Kingdom or remain a citizen of the New Age global order?
